MARY CLUBWALA JADHAV
(1908 – 1975)
FOUNDER, MADRAS SCHOOL OF SOCIAL WORK

Mrs. Mary Clubwala Jadhav, a woman with an inborn instinct and insatiable thirst for service to humanity, founded the Madras of School of Social Work in 1952. Born in 1908 into a rich Parsi family, she was raised strictly in the traditional way by her mother who taught her the values of caring and sharing. In 1926, she was married to Mr. Nogi Clubwala who encouraged her to involve herself in social activities. She was a regular visitor to Government approved schools and worked for the Red Cross. After the sudden demise of her husband, instead of retiring into a shell, she decided to employ her time meaningfully and immersed herself in social work with total sincerity and commitment.

In 1937, Mrs. Mary Clubwala was made the Honorary Secretary of the Guild of Service. In 1942, during World War II, Mrs. Clubwala founded the Indian Hospitality Committee and persuaded women from all communities and walks of life to join in the effort to organize mobile canteens, hospital visits, diversional therapy and entertainment programmes for the army. The victorious Army presented her a Japanese sword in appreciation of her tremendous efforts and Mrs. Mary Clubwala was called “the Darling of the Army” by General Cariappa. After the war, her focus was once again on the Guild of Service which became a banyan tree that put out roots for various projects like health centres, bakery units, an adoption centre, family assistance schemes, meals on wheels, rural development projects and a school for the deaf, to name just a few.

Mrs. Clubwala’s concern for destitute children was responsible for starting the Seva Samajam Boys’ Home and Girls’ Home in Adyar in 1950. These homes gained an international reputation as model institutions. In 1954, through the joint efforts of the Guild of Service and the Madras Rotary Club, she was instrumental in starting Bala Vihar in Kilpauk, a school for mentally challenged children.

Perhaps Mrs. Clubwala’s most significant contribution was establishing the Madras School of Social Work realizing the need to facilitate easy access and appropriate practical learning for students interested in social work in the southern region, as there were only three Schools of Social Work in India and all of them were located in the northern region. She visited various Schools of Social Work in the USA to know about their functioning and finally her dream came true in 1952.

In 1941, she received the Most Excellent Order of the British Empire (MBE). She was honoured by the International Council of Social Welfare with the “Outstanding Service Award” at The Hague in 1972. She was awarded the Padma Shri, Padma Bhushan and Padma Vibushan by the Government of India for her outstanding services. On 6th February 1975, she breathed her last in Bombay after a surgery to fight cancer. Condoling her death, Mrs. Indira Gandhi mentioned that India had lost an eminent social worker. Today the Madras School of Social Work stands as a testimony to her dedication, perseverance and will to overcome obstacles, which helped her realise her dream of starting a school to train professional social workers.

Participation in the campus interviews will be restricted to those students who have been regular to classes, field work, active participation in the activities of the College and have secured a pass in their Internal and External examinations in all the semesters.

The recruiting organizations may also have their own eligibility criteria for campus placement. **Most organizations expect a consistent academic record with no arrears from 10th Standard onwards with minimum 60 – 70% of marks. Students interested in placement must register for the same.**

Scholarships

In addition to Government scholarships, the Management, the departments and the Alumni Association of the College also extend financial support for deserving students on a case by case basis.

The Management runs a limited hostel and mess facility inside the campus for the benefit of the outstation students. Accommodation is provided for both Postgraduate and Undergraduate students separately for boys and girls. After getting admission in the college, students have to approach the hostel warden separately for hostel accommodation. Allotment of rooms will be made by the hostel authority on first-come, first-serve basis. Gaining admission to a course does not guarantee a place in the Hostel. **Applicants are encouraged to explore other hostels and paying guest accommodation available in the city.**

CAMPUS PLACEMENT

MSSW has a placement cell which is headed by a full-time Placement Coordinator. It provides equal opportunities for all students to register for placements and facilitates maximum number of placements, though the college does not guarantee placements for all due to various reasons. Many of the recruiting organizations have their own eligibility criteria according to their company policies and candidates who fulfill those criteria alone are preferred by the organizations. **Most organizations require a minimum of 60 - 70% marks from 10th standard to post graduation with no history of arrears to appear for campus interview.** Further, students are expected to relocate to anywhere in India or abroad depending on the organization's roles and requirements.

Once students register for placement process in a particular company after a pre-placement talk, they have to appear for the same and accept the offer if any. Students who register and then choose not to appear will be debarred from the subsequent placement process.
